## World Oceans Day 2020 Challenge:

North Carolina  
Coastal Federation  
*Working Together for a Healthy Coast*

<https://www.nccoast.org/protect-the-coast/>

Using the link above, review the goals and missions of the North Carolina Coastal Federation.

These goals include initiatives to clean and preserve our oceans such as, **cleaning water, preventing erosion, monitoring oysters, and coastal management.**

## The Challenge:

North Carolina Coastal Federation will be hosting World Oceans Day 2020 Challenge which features an **art contest, written contest, and video contest.**

The winners of each challenge will be based on the material that **best represents the goals and overall mission of the federation.**

This contest is open to ALL AGES!

Send in your submissions by June 1<sup>st</sup>, 2020 at 6:00PM to [bonniem@nccoast.org](mailto:bonniem@nccoast.org) and don't forget to include AMOS, too! You could be featured in our newsletter!

(Contact AMOS at [amalmborg@ashevillescience.org](mailto:amalmborg@ashevillescience.org))
