

# NC SCIFEST @ AMOS

APRIL 2022

## WOMEN IN ENGINEERING: VIRTUAL STORYTIME

Check out our Facebook every Wednesday at 11 AM for a Women in Engineering storytime read by one of our AMOS educators!

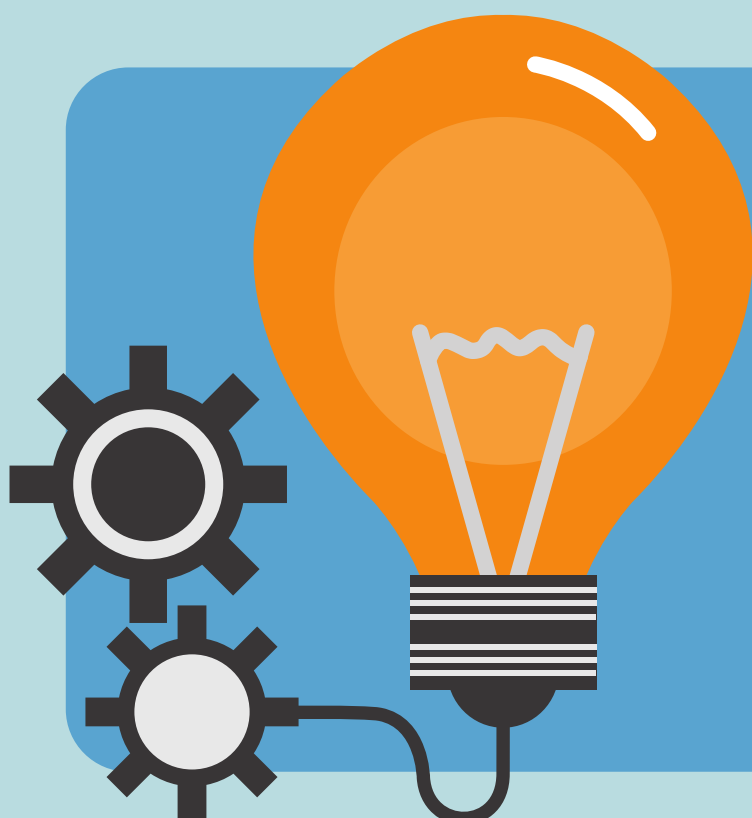

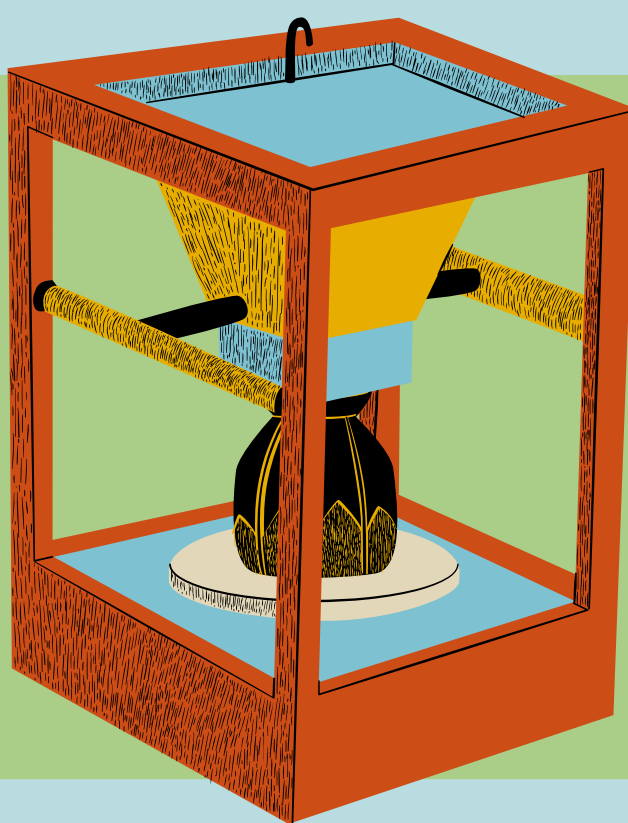

## SATURDAY STEAM: TINKERSPACE

Calling all engineers, inventors, and creators! Join us in the STEM Lab each Saturday in April between 11 AM and 3 PM to tinker and build your own invention with the help of an AMOS educator using recycled materials, motors, and more.

## 3D PRINTER AND LASER CUTTING DEMOS

Between 2 PM and 4 PM on Sunday afternoons, check out a demonstration led by an AMOS educator on the science of design, 3d printing, and laser cutting.

## TAKE-HOME ACTIVITY KITS

Beginning on Monday, April 4th, you can stop by the AMOS front desk during open hours for a FREE take-home engineering activity while supplies last.
