

Event: Auction & General Support

5:30 - 8:00pm Thursday, September 14, 2023

The Asheville Museum of Science is seeking enthusiastic team-oriented event support/guest engagement volunteers. The ideal candidate will have a strong interest in supporting AMOS's mission, enjoy engaging with attendees and helping them understand the auction processes. Thank you for helping us reach for the stars!

AMOS is the center for expert STEAM (Science, Technology, Engineering, Art, and Mathematics) learning in WNC. We strive to spark imagination and foster lifelong curiosity in the museum and through both in-house and outreach STEAM education programs. These include field trips, in-school and after-school programs, intensive science camps, Saturday STEAM education, and involvement in events that serve our community. At AMOS we believe that our expert designed STEAM programming contributes to our youth's interest in STEAM, connection to caring adults who serve as role models, reduction of the opportunity gap, and preparation for 21st century work environments.

Volunteer Responsibilities:

- Support auction processes, such as pull bid sheets at end of silent auction & track live auction bids
